

Your health, **YOUR CHOICE**

Ready to step into better wellbeing in 2025? OMSMAF is here to help you take action with the wisest possible option selection – from covering all your healthcare bases to keeping those monthly medical expenses under control.

While it may not be something you think about until you need it, your medical aid is an essential part of your ongoing health and financial wellness. Finding the right balance of cover and cost comes down to proactive planning.

Over the coming two weeks until Option Changes close on 7 March 2025, we'll bring you helpful info that you can use to select the right option for you and your loved ones. So, if you are ready to become an OMSMAF boff, stay tuned because we're gearing up to help you make this your best healthcare year yet.

In the meantime, if you haven't already done so, now is a great time to download the Universal.one app and get your digital OMSMAF membership at the touch of a button. And, in case you haven't heard, a brand new version of the OMSMAF member website was launched at the beginning of this month – our easy to navigate website ensures that all the help you need is just a few clicks away!
