

THE TOTAL TURNAROUND:

FAMILY FEEDBACK TIME!

Hey OMSMAF member

how goes it? No really, we actually want to hear from you and find out how your Total Turnaround is going. We've sent you an email, too, because we don't want any OMSMAF members to be left out of this family feedback session, so please take a look and send your story to enquiries@omsmaf.co.za. Imagine the change that could ripple across the OMSMAF community if just one person can be inspired by another?

And if you or one of your beneficiaries is finding it difficult to overcome life's challenges, please remember that all OMSMAF beneficiaries have access to the dedicated mental health programme, which you can access by calling 0860 100 076.
