

IT'S YOUR HEALTH
AND YOUR WEALTH
RIGHT?

LET'S GET ON IT WITH OMSMAF

WE DON'T HAVE TO TELL YOU WHY YOU NEED HEALTHCARE COVER, YOU'RE ALREADY HERE, READING THIS.

What we do want to share with you is a wealth of information – excuse the pun 😊 – about the connection between investing in your health, safeguarding your finances and utilising the many mechanisms in place to help you minimise what you put in and maximise what you get out.

IF THAT SOUNDS GOOD, THEN PLEASE KEEP AN EYE OUT FOR THE UPCOMING 'YOUR HEALTH, YOUR WEALTH' SERIES THAT WILL BE POPPING UP IN YOUR INBOX OVER THE NEXT FEW MONTHS AHEAD OF NEXT YEAR'S OPTION SELECTION.

In this series, we will be sharing some relatable healthcare triumphs and tribulations along with truly meaningful tips on smart medical scheme utilisation.

Let's save your hard-earned money and put you in peak performance in 2024 and beyond.
