

LOVE THE SKIN YOU'RE IN

It's time to give your skin some serious TLC – and we're talking so much more than moisturiser (suspicious moles and sneaky spots, we're looking at you). From essential facts and the latest stats to top tips and lifelong habits, we're about to drop the ultimate guide to keeping your body's largest organ healthy, happy and safe.

With summer just around the corner, there is no better time to check in with your skin, and thanks to OMSMAF's exceptional wellness benefits, all members and beneficiaries 35 years and older are covered for one dermatology cancer screening every two years. That's right, we're here to make healthier skin happen for you and your family.

So, keep an eye on your inbox over the coming months as we bring you the scoop your skin has been waiting for all along.
