

You got the role
of a lifetime

Why not make the most of it with OMSMAF?

As the leading lady in your life, you truly are the perfect woman for the role. So why not show yourself the love and support you deserve by leaning into the medical scheme that is always here for you?

**Heads-up to all the men out there because this applies to
the leading ladies in your life too.**

At OMSMAF we get that your wellbeing is the springboard to being your best self. So, unlike most other schemes, we provide for you to have a mammogram every single year, no matter your age.

We also make it easier than any other scheme
for you to do your health checks by paying for your GP or gynaecologist consultation, up to Medical Scheme Rate, directly from your wellness benefits and improving your access to important annual screenings, such as your pap smear, in addition to your usual pharmacy screenings.
